Although this pattern was designed to use the colours above, these were based on the variegated thread that I chose for the multi-coloured window panes on my finished piece.

You can shift the look of the pattern by using any of these suggested combinations, if you prefer any of the following variegated threads:

Dahlias (Variegated)	Moons (Yellow)	Crests (Dark Pink)	1791 (Light Pink)	Checkerboard (Blue)	Stars (Green/Teal)
Threadworx 1154 Bradley's Balloons	726	3804	3806	798	3848
