

Cut out the triangle below & those on the next page.
These triangles can then be arranged into one large
triangle like this one, with each question matching up
with it's answer.

Can you work out how to arrange them?

Place with sand and sea?
What's the name of the sea?

Watermelon

Ice lolly

Bee

What small boat do you
paddle on a lake or river?
A frozen treat, often on a stick?

What season is
the hottest of the year?

Beach
Sun hat

What bright yellow
thing shines in the sky?

What day
in August do lots
of people have off work?

What fruit
is big, red inside,
& full of black seed?

What
do you see
often flying
& buzzing in summer?

Sun

Bank Holiday
